Thanks Ruth. I made a few minor edits, so please use this version and then send back to me. I will ask Crystal Edwards to initiate a CMS entry as well as send an email to Janita and others in the IO with the documents so they can start their review.

Mindy - I'll take care of this first thing tomorrow. I may have forgotten to include the new language about electronic submittals. The only other thing might be an FRN cover sheet though that wasn't in the list Sandy sent previously.

Good news is that John only had minor edits that he made directly. I think the only other attachment we need is OGC concurrence, since we have the revised FRN and typesetting request. Am I missing anything?

Thanks! Attaching slight tweaks incorporated in both—mine's not marked DRAFT as I am prepared to sign it if ready to go tonight/early tomorrow.

DELIBERATIVE

John,

Attached are two transmittal memos for the FRN – one from you to Dave, and then from Dave to Brittany B. We are waiting to hear back if FL has any feedback on our inclusion of their white paper in the notice. Hopefully I will have more when we meet later.

Thanks,
Mindy
